SONIC™ THE HEDGEHOG

TANGLE & WHISPER

SLINGER THE OCELOT

SLINGER THE OCELOT

Height: 110 cm
Weight: 40 kg
Age: 14
Team: Diamond Cutters
First Appearance: Sonic: Tangle & Whisper #3
Powers: Marksman, Trained Soldier

Slinger was the Diamond Cutter's best marksman. His twin Cyan Laser Wispons were fast and accurate. He was fond of doing juggling tricks, which made his teammates nervous.

Slinger wasn't very open with his past or motivations, being a mystery even to Mimic. But when things got dicey, he was always by his friends' sides, wispons blazing.
